

The Centre for Excellence and Innovation in Anaesthesia (CEIA) at the Royal Brisbane and Women's Hospital would like to invite you to

The 3rd Perioperative Patient Blood Management Symposium

*PERIOPERATIVE ANAEMIA:
From Basic to Complex*

**Friday 15th & Saturday 16th
February 2019**

Education Centre, RBWH
Butterfield Street, Herston

Patient Blood Management is complex and its implementation often presents many challenges. We will focus on the importance and evidence in Perioperative Patient Blood Management and provide an update on policies and guidelines and advice on implementation strategies.

Local, national and international experts in the field of Patient Blood Management will present state of the art knowledge and latest research. Our dedicated workshop day on Friday 15th February will provide hands on experience with plenty of take home material.

Clinicians have the opportunity to exhibit their scientific poster with the best poster prize (valued at \$500) awarded on the day.

Participants in the ANZCA CPD program may claim this Major Haemorrhage course as an emergency response activity in their CPD portfolio otherwise participants in the ANZCA CPD program may claim this event under the Knowledge and skills activity Learning sessions at 1 credit per hour.
