

NZATS Poster submissions

Posters for the NZATS conference 2023 can cover a range of topics, however it should ideally be related to the conference theme “Impact”.

This could include:

- Research presentation
- Showcase of work in your region
- Case study
- Special interest (equipment, procedures etc)

If you are keen to have a poster shown in conference please send through a planned title and mini abstract of your planned submission to info@nzats.co.nz

These posters will be displayed throughout the duration of the conference in a specified area. They will be judged for the award during the conference and winner will be announced on the 11th November.

The conference organisers will print out the posters on your behalf prior to conference, so please email them to info@nzats.co.nz by the end of **1st October 2023** to ensure your work is displayed.

Poster guidelines

Your poster must be A1 (594mm x 841mm) in size and preferably in landscape.

Please include your name (including those of co-authors and department/hospital you work in if applicable)

The poster must not have any material that may be deemed offensive or unacceptable for a public display (such as nudity, violence or realistic surgical images)

NZATS reserve the right to not display a poster without providing a specific reason.

Authors are responsible for ensuring their poster is collected at the end of conference if they wish to keep it, it will be disposed of otherwise.

Content must be presented in a professional manner with no use of colloquialisms where possible.

Include references on the roster where appropriate and relevant to the topic.
