About Evolution Healthcare

Evolution Healthcare is a leading provider of innovative, high-quality private healthcare across New Zealand. With a team of over 1,700 and growing, our group operates five hospitals alongside a range of specialist health and wellbeing services.

When you join Evolution Healthcare, you'll be supported to succeed in a safe, friendly, inclusive, and values-driven environment. We invest in our people, facilities, and technologies to continuously improve care for the communities we serve.

Join Royston Day Surgery

At Royston Day Surgery, we provide day stay interventions allowing for people to return home the same day. Royston Day Surgery is a joint venture collaboration between Evolution Healthcare and a number of Hawkes Bay's leading orthopaedic surgeons. With two large modern theatres and supporting services, our Day Surgery improves access for patients in the region who require orthopaedic surgical procedures.

About the role

The Anaesthetic Technician is responsible for planning and preparing the anaesthetic environment according to patient, anaesthetic and surgical requirements.

You will also:

- assist the anaesthetist during procedures
- anticipate any problems
- co-ordinate documentation to ensure the appropriate person has the information required for smooth and effective care of the patient
- maintain sterile fields
- maintain adequate stocks of necessary equipment, pharmaceuticals and consumables for anaesthetic procedures.

This is a permanent position with negotiable hours and is located at Royston Day Surgery in Hawkes Bay.

About you

As the Anaesthetic Technician, you will be professional, motivated and enthusiastic. You will have excellent communication skills and provide an exceptional standard of care to our patients.

You will also demonstrate and have the following skills and experiences:

- Registered with the Medical Sciences Council of New Zealand
- Sound knowledge and understanding in relation to anaesthetic equipment and anaesthesia
- Excellent written and oral communication
- Be a team player

Apply today! We welcome applications from people with the right to work in New Zealand.

Applications close: 30 August 2026
