

Anaesthetic Technician – Kaitaia Hospital (1.0FTE)

At Northland DHB, some of us are born and bred locals, others have chosen to call Northland home. But all of us share a close team spirit that truly connects with community members in our care. No wonder going the extra mile is second nature around here - we're looking after family, whilst being supported and encouraged to look after our own wellbeing.

We currently have an opportunity for a skilled Anaesthetic Technician to join the team at Kaitaia Hospital.

Northland DHB is committed to Te Tiriti o Waitangi and holds stewardship for equitable health outcomes for Māori as Tāngata Whenua as the highest priority.

Kaitaia Hospital has 2 operating theatres and you will be working on specialities including orthopaedics, general surgery, gynaecology, dental and ENT. Being a rural hospital, your patients will range in age from paediatric right through to geriatric.

The successful applicant will be an experienced Anaesthetic Technician with a current practising certificate and Registered with the Medical Sciences Council of New Zealand.

A career with Northland DHB will see you action meaningful change in the region we love, and in your professional development – all whilst enjoying everything the stunning North has to offer. You really can enjoy the best of both.

Our people live our values:

Tangata I te tuatahi **People First** - People are central to all we do

Whakaute (tuku mana) **Respect** - We treat others as they would like to be treated

Manaaki **Caring** - We nurture those around us, and treat all with dignity and compassion

Whakawhitiwhiti korero **Communication** - We communicate safely, openly and with respect to promote clear understanding

Taumata teitei (hirangi) **Excellence** - Our attitude of excellence inspires success, competence, confidence and innovation
