

Position Title: Anaesthetic Healthcare Practitioner (Technician).

Work Unit/Facility Location: Royal Brisbane and Women's Hospital, Herston

Metro North Hospital and Health Service is the biggest and most diverse Hospital and Health Service in Queensland, delivering the best care by the brightest healthcare professionals.

Two of our five hospitals – Royal Brisbane and Women's Hospital (RBWH) and The Prince Charles Hospital (TPCH) – are tertiary/quaternary referral hospitals, providing state-wide super specialty services, such as heart and lung transplantation and burns treatment. Redcliffe and Caboolture are major secondary hospitals, and Kilcoy is a regional community hospital.

This is your opportunity to join the dedicated team of professionals at Metro North Health and be part of a world-class, dynamic and growing health service that embraces technology, excellence in health care, teaching, research and empowering our people to be the best in serving our community.

About the Role

- Prepare the anaesthetic environment and assist the Anaesthetist during all phases of anaesthesia
- Provide skilled assistance for all elective and emergent anaesthetic procedures
- Maintaining professional standards
- Participate in and contribute to educational activities held within the department
- Participate in education and training of Anaesthetic trainees and graduates
- Participate in the departmental roster, including continuous shift rotations of up to 10-hour duration and on call
- Demonstrate initiative and participate as an effective member of a multi-disciplinary team, ensuring all patient needs are met
- Provide ethical decision making in the achievement of organisational goals
